

# RIT PROGRAM IN FOCUS

This program has strong discipline-specific coursework that is a good match for RIT students.

Study Abroad for Biotechnology &  
Biomedical Sciences Majors

## DIS Biomedicine

Copenhagen, Denmark

The DIS logo consists of the letters "DIS" in a bold, white, sans-serif font, set against a solid blue rectangular background.

DIS is an RIT affiliate  
study abroad partner.

### Why study biotechnology & biomedicine in Denmark with DIS:

- The biomedical sciences are rapidly globalizing as medical discoveries, technologies and treatments have a **worldwide impact** and meet the needs of diverse populations.
- Copenhagen is part of **Medicon Valley**, a competitive life science cluster that attracts many successful companies to the region.
- Participate in DIS **study tours around Denmark and to other European countries** to visit biotechnology companies and meet with professionals in the field.
- Fall, spring and summer programs offered at DIS are **taught in English** from respected **faculty who also work in the biotechnology field**.
- DIS provides opportunities for students to **experience local culture** with home stays, sports teams and clubs, student events or volunteering in the community.

Denmark is known  
globally for innovative  
thinking in drug  
development and  
medical research.

Education Abroad

# COURSES

These DIS Biomedicine and Biotechnology courses are typically offered for fall or spring semester and have been pre-approved for RIT equivalents.

## DIS COURSES

## APPROVED AS RIT COURSE

<ul style="list-style-type: none"><li>• Medical Biotechnology &amp; Drug Development</li><li>• Complexity of Cancer</li><li>• Neurological Disorders &amp; Diseases</li><li>• Gut Reaction: How Human Microbes Shape Our Lives</li><li>• Biology Genomics in Clinical Practice</li><li>• Human Health and Disease: A Clinical Approach</li></ul>	PRGE 100: Free or Program Elective
<ul style="list-style-type: none"><li>• Biology Neurological Disorders &amp; Diseases</li><li>• Neuroplasticity</li></ul>	PERC 100: Scientific Principles Gen Ed Credit
<ul style="list-style-type: none"><li>• Psychopharmacology: Substances &amp; the Brain</li></ul>	GEPR 130: Social or Scientific Principle GE credit
<ul style="list-style-type: none"><li>• Immunology</li></ul>	MEDS 530: Human Immunology
<ul style="list-style-type: none"><li>• Medical Simulation Lab</li></ul>	GENE 100: General Education Elective
<ul style="list-style-type: none"><li>• Health Beyond Borders</li><li>• Healthcare Systems: A Comparative Approach</li></ul>	GEPR 150: Social or Global GE Perspective
<ul style="list-style-type: none"><li>• Medical Ethics</li></ul>	PHIL 316: Bioethics and Society

DIS has many more course offerings that you may also choose from. Any course you plan to take will go through the RIT study abroad course pre-approval process to ensure it will count towards an equivalent RIT course.

## Program Cost

**RIT financial aid and scholarships may be used towards your study abroad program costs.**

**For current DIS program costs, visit: [disabroad.org/tuition-and-fees](https://disabroad.org/tuition-and-fees).**

Cost listed on DIS website is an estimate for research/informational purposes only. The RIT Education Abroad office will provide you with a detailed budget worksheet outlining ALL of your expected costs. Take the budget worksheet to your financial aid advisor to determine how your RIT financial aid and scholarships may apply.

## Scholarships

- DIS Scholarships – available based on financial need, merit or diversity – [disabroad.org/scholarships](https://disabroad.org/scholarships)
- Gilman Scholarship – available for students who receive Pell Grant funding – [gilmanscholarship.org](https://gilmanscholarship.org)
- Fund for Education Abroad – [fundforeducationabroad.org](https://fundforeducationabroad.org)
- Talk to your study abroad advisor about other scholarship options.

### To Apply:

1. Go to [studyabroad.rit.edu](https://studyabroad.rit.edu) and login to the **Compass** (application database) and search for DIS Biomedicine.

2. Meet with study abroad advisor Roseanne Hernandez [rit.edu/global/AdvisorMeeting](https://rit.edu/global/AdvisorMeeting)

Plan 6 months to a year in advance to ensure proper academic and financial planning.

### General RIT study abroad deadlines:

Applying for **Spring** semester programs: October 1st

Applying for **Summer** programs: March 15th

Applying for **Fall** semester programs: March 15th

Note that the DIS application deadline may be different and programs fill up quickly Visit [disabroad.org](https://disabroad.org) for DIS deadline information.
