RIT Exchange Program Doshisha University

Doshisha University is one of the oldest private universities in Japan. For over 145 years, the university has provided a quality education based on the values of integrity, respect for individuality, independent thinking, and cultural understanding. Exchange students have the opportunity to study Japanese language and culture in the ancient city of Kyoto, known as the cultural heart of Japan. Japanese language courses help students develop skills in listening, speaking, reading comprehension, and writing. Students can complement their language studies with courses on Japanese culture and society and international studies. When not in class, students can explore the beautiful city of Kyoto with its World Heritage sites, restaurants, shops, and parks.
