IMPORTANT INFORMATION

Choosing Your Courses & Registration

The RIT Education Abroad will register you for the classes you plan on taking on your Global Campus program (note: you are not able to register for these classes yourself in SIS). Fill out the course selection form provided by your study abroad advisor and submit it before your application deadline.

Budget Worksheet:

This document details the exact and estimated costs of your program and is provided by the RIT Education Abroad office. If you would like to use financial aid (federal and local grants, scholarships and loans) towards your study abroad program costs, set up a meeting with your RIT Financial Aid Assistant Director before your application deadline. Provide a copy of the budget worksheet to the financial aid office at least 2 days prior to your scheduled appointment.

Withdrawing Your Application(s):

If you decide that you are not going abroad, you will need to withdraw any applications or else you WILL be billed for erroneous study abroad charges. If your application is 'Incomplete' go in to your Compass account, click "Withdraw" and provide a reason for your withdrawal. If your application is 'Pending' email global@rit.edu to have your application withdrawn by an administrator.

Billing:

All charges you can expect to be billed are outlined on your Budget Worksheet. The RIT Education Abroad office will work with RIT Student Financial Services to list the study abroad charges on your eServices account on normal RIT billing dates. Payments can be made online or in person and are due on normal RIT due dates. If you would like to request a payment schedule, contact Student Financial Services.

Grading:

You will receive letter grades which will count toward your GPA.
