

RIT PROGRAM IN FOCUS

This program has strong discipline-specific coursework that is a good match for RIT students.

Study Abroad for Industrial Design Majors DIS Semester in Copenhagen

Architecture & Design
Furniture Design
Urban Studies

Why study industrial design in Denmark with DIS:

- Scandinavian design is one of the most recognizable and impactful styles in the world, blending traditional and modern with many of the world's most well respected designers and iconic designs hailing from Denmark.
- Course-integrated study tours within Denmark and to neighboring countries will expose you to historical and modern architecture, buildings and urban space of Northern Europe.
- Fall, spring and summer programs offered at DIS are taught in English from respected faculty who are also professionals in the field.
- DIS provides opportunities for students to experience local culture with home stays, sports teams and clubs, student events or volunteering in the community.

Denmark is a hub of innovation in areas of design, architecture, sustainable living and technology.
