

RIT PROGRAM IN FOCUS

This program has strong discipline-specific coursework that is a good match for RIT students.

Study Abroad for Industrial Design Majors Nuova Accademia di Belle Arti (NABA)

Milan, Italy (SAI)

Why study industrial design in Milan with SAI:

- Milan is globally recognized as an **international center of design excellence**.
- Milan's **museums, galleries, showrooms, exhibitions** and events contribute to a culturally lively and dynamic environment, giving you opportunities to be inspired around every corner.
- You'll **learn from instructors who are leading artists, professionals and designers** working in Milan.
- Make your creative ideas come to life in NABA's state-of-the-art labs including a textile library, textile design lab, **model-making lab, digital media lab, and 3D design lab**.
- Experience **Milan design week in April**, an international exhibition of furniture and interior design elements, design events, and announcements of new collections that will shape the industry for the next year.

Milan is known for its highly crafted products that are contemporary, creative and innovative.
