Notes:

A) Former participants suggest you would need at least \$800-1,200 for the time you will be in Japan. This covers personal expenses of food and snacks, health and hygiene products, postage, school supplies including textbooks, local transportation fare (bike rental), etc. This does not include optional outside travel (either on the long weekend or before/after the program). Students wishing to do additional travel will need to budget for additional expenses.

A futon set (mattress, blanket, and pillow) is provided for each participant, along with one set of sheets. If you would like an extra set, you will need to purchase it or bring it from home.

Below is a sample of personal expenses:

Round trip bus ride downtown: \$6.50 (660 Yen)
Meal at a casual, local restaurant: \$3.00 - \$11.00 (300-1100 Yen)
Lunch at a KIT cafeteria: \$3.00 - \$5.00 (300-500 Yen)

B) Students will pay a \$50.00 activities fee to KIT upon arrival for local excursions and activities related to the program.

C) Students must purchase Japanese health insurance upon arrival at KIT.
