

Study in Germany with RIT's newest partner University

RIT Exchange Program

Hochschule Mittweida

Mittweida, Germany

For over 150 years, Hochschule Mittweida has built a reputation of excellence. Today, it is the #1 university of applied sciences in the Saxony region of Germany. Hochschule Mittweida is known for strengths in engineering, media, and social sciences. Students benefit from coursework that emphasizes hands-on practical experience. The university is located in the center of town providing easy access to restaurants, parks, and beautiful historic sites.
