

# Engineering Coursework at Peru's #1 University

## RIT Exchange Program Pontificia Universidad Catolica del Peru (PUCP)

Founded in 1917, PUCP is ranked as the #1 university in Peru, and #18 overall in Latin America. The university holds ABET accreditation for its programs in Civil, Electronic, Industrial, Mechanical, and Informatics Engineering. Coursework enables students to develop professional skills in critical analysis, investigative problem solving, and working in multidisciplinary teams. The university also has strengths in history, anthropology, urban development, politics, and literature. You are invited to experience the vibrant student life while studying in one of the most beautiful and culturally diverse countries in the world.

### Nomination Deadlines

Spring Semester : October 1

Fall Semester : April 1

Available for Fall or Spring Semester

Coursework taught in Spanish \*

*\*Intermediate level Spanish required*

Available subjects may include

Engineering classes in  
Civil  
Electronic  
Mechanical  
Industrial  
Informatics

Industrial Design

Physics

Chemistry

Anthropology

Sociology

Economics

History

Communication Arts and Sciences

Psychology

Statistics

Mathematics
