POLITECNICO DI MILANO – SCHOOL OF MANAGEMENT

MANAGEMENT & ENGINEERING COURSEWORK IN ITALY

Founded in 1863, Politecnico di Milano is **ranked 20th in the World, 7th in Europe, and 1st in Italy by the QS World University Ranking**. With over 25% of its student population coming from 100 different countries, Politecnico di Milano provides an international urban Campus where students can experience a stimulating, vibrant and diverse community.

Students are given the possibility to choose from an ample range of courses, entirely taught in English, and to work closely with degree seeking students. The learning experience is enhanced by the interaction with the business world, through which students have the opportunity to learn from industry leaders.

Milan is a dynamic and multicultural city, with a strong cultural heritage and an excellent rating for its quality of life. With some of the most important artistic sites in Italy easily at reach (Venice, Florence, Rome), it is also an ideal location to travel to Europe. Moreover, the close-by lake region and mountains offer all year-round top-level sports and leisure activities.
