

BUILDING GRADING RUBRICS, EXAMPLES OF RUBRICS FOR ONLINE INSTRUCTION:

iRubric: A free online rubric development and sharing tool developed by Rcampus
<http://www.rcampus.com/indexrubric.cfm>

RubiStar: Another free tool to help educators create and share rubrics from High Plains Regional Technology in Education
<http://rubistar.4teachers.org/>

Educators at California State Chico developed a rubric to gauge the quality of their online course instruction. The rubric can be found at: <http://www.csuchico.edu/roi/>. The site also showcases examples of exemplary online course instruction.

Palloff and Pratt (2009) provide some examples of rubrics that can be used to assessing online discussions, class participation, and group work.
