Focus: Engage with the material

Ask yourself: “What can I do to practice course material and summarize in my own words?”

Suggestions and Examples

- Check myCourses
- Organize
- Go to class
- Do homework
- Use to-do lists
- Attend office hours
- Use study centers
- Meet with study group
- Reset for the week ahead
- Use campus resources (i.e. tutoring centers, writing center, academic coaching)
- Setting weekly schedule and weekly to-do lists
- Meet up with a tutor in the ASC Study Centers (and/or connect with a tutor, academic coach, or even a professor)
- Consolidate material and create study aids/guides like:**
 - Create a cheat sheet for the week’s material
 - Create concept sheets for each concept from the week
 - Create a master outline
 - Practice and rework old homework assignments
 - Create a study guide by topic/chapter
 - Create flash cards
 - Self-test
 - Draw a picture or write a song
 - Create a mind map
 - Create a practice test
 - Create a problem set
