A World Leader in Cooperative Education and Hands-On Learning

What sets RIT graduates apart isn’t just the degree they’ve earned, it’s what they’ve done before they even received it.

Our commitment to your success starts immediately, with exposure early and often to a variety of career paths, industries, and environments. It’s career planning at its finest: from career exploration and discovery, skill development, and the creation of career pathways to cooperative education opportunities, defining professional aspirations, and pursuing job opportunities. It’s an intentional commitment to career development that enables our students to pursue a path of continued self-discovery and professional fulfillment. We know that preparation that is applied consistently becomes practice organically. That learning starts in the classroom and carries on in the real world.

Cooperative education—Full-time, paid work experience where you get to apply what you’ve learned in the classroom to real-world industry settings.

Research—Hands-on investigation and discovery with faculty mentors where you explore and learn in more than 50 research centers and laboratories.

International Experiences—Study at one of RIT’s global campuses in China, Croatia, Dubai, or Kosovo to gain new perspectives and expand your cultural awareness while you earn your RIT degree.

Career Services
In addition to co-op placement assistance, the Office of Career Services and Cooperative Education also provides you:

- Permanent employment search advisement
- Salary and career information
- Interview and resume preparation
- Career counseling
- Two annual university-wide career fairs, plus major-specific career fairs
- Connections with more than 3,000 employer partners that hire RIT students

Outcomes rate is defined as the percentage of graduates who have entered the workforce, enrolled for further full-time study, or are participating in military or volunteer service.
