2026-2027 Outside Assistance/Scholarship Report

Student Name: _____ **University ID:** _____

Financial aid recipients are required to report any external awards (e.g., scholarships, grants, employer tuition support, etc.) to the Office of Financial Aid and Scholarships. Outside aid represents additional resources that meet financial need and may affect existing federal, state and/or institutional financial aid. RIT reserves the right to adjust financial aid offers when additional awards from sources outside of RIT are received. Should your aid offer change, a revised financial aid offer will be sent to you.

Unmet need is the difference between the “Estimated Cost to Attend RIT” on your financial aid offer letter and your federal Student Aid Index (SAI). Generally, any outside aid will first replace unmet need. Next, if the outside aid exceeds your unmet need, the outside aid will replace need-based federal sources (e.g., Federal Work-Study, SEOG, and/or Federal Direct Subsidized Loan programs). Finally, if there is still outside aid unaccounted for, existing RIT aid is adjusted.

Please Note: The total value of your reported outside aid will be disbursed towards your first term enrollment at RIT unless the donor specifies otherwise.

Please complete the section below to report any outside aid not included in your most recent financial aid offer. Use the reverse side if necessary.
