

# Visual Arts- All Grades MST Art Education

# Share Your Passion for Art

Artist Teacher

- One-year Accelerated Program
- Affordable
- Scholarship and Graduate Assistant Opportunities

# Grow as an Artist and Art Educator

- Close-knit, caring faculty are experienced K-12 teachers and administrators
- Open electives to expand your artistic toolkit
- Experiential learning opportunities and community partnerships

# Cultural Awareness and Inclusiveness

Students have unique access to local community arts organizations in the greater Rochester area and surrounding communities.

- Candidates are placed full-time in local elementary, middle, and high schools for clinical experiences.

# Technology in the Classroom

- The MST program prepares you to teach the **next generation** of artists and create art experiences while honing your own artistic and technical skills.
