# Support Centers & Services

RIT houses multiple offices and programs that are geared towards supporting their faculty in their professional and personal lives. For anyone who is interested in networking and gaining support check out these programs !

[AdvanceRIT](#): Originally funded through a National Science Foundation ADVANCE Institutional Transformation grant (1209115) with additional support provided by the university, AdvanceRIT is a long-term, multi-faceted program designed to increase and advance women faculty at RIT

[Council for the Representation and Engagement of Women Faculty \(CREW\)](#): is the faculty advisory board to AdvanceRIT. Their mission is to support , retain, and promote career success of women faculty at RIT. Each college has a CREW representative. We encourage you to view the CREW rep profiles on the AdvanceRIT website as they share words of wisdom, their favorite place on campus, research interests and areas where they can provide mentoring to faculty

[Women, Gender, and Sexuality Resource Center](#): committed to promote a campus community that is safe, equitable, and respectful of all members

[Ombuds](#): committed to assisting members of the RIT community with any conflicts or issues they may be having, and provides a safe and confidential place to bring problems, disputes, or questions in a totally confidential manner.

[Title IX Office](#): is responsible for keeping the university in compliance with all Title IX policies

[Faculty Career Development](#) RIT Faculty Career Development Services supports the advancement of faculty throughout their careers at RIT with orientations, mentoring, professional development, and leadership programs. They offer New Faculty Orientation, a Faculty Career Success Series and their website provides resources on topics such as mentoring and free resources for faculty.
