

Manufacturing Through a Crisis: Fortifying Manufacturing Operations with Digital Technology

November 10, 2020 | 10:00 a.m. - 2:00 p.m. CT

Join MxD and partners for a virtual technology showcase on Tuesday, November 10, that will provide actionable recommendations on how to utilize digital solutions to fortify your manufacturing operations. Attendees will hear an update on the current state of the manufacturing industry, view virtual technology demonstrations, and discuss crisis response strategies with peers.
