

Finding your Advisor & Schedule in SIS

When you log into SIS, you will be at the Student Homepage and see these boxes, called “tiles”.

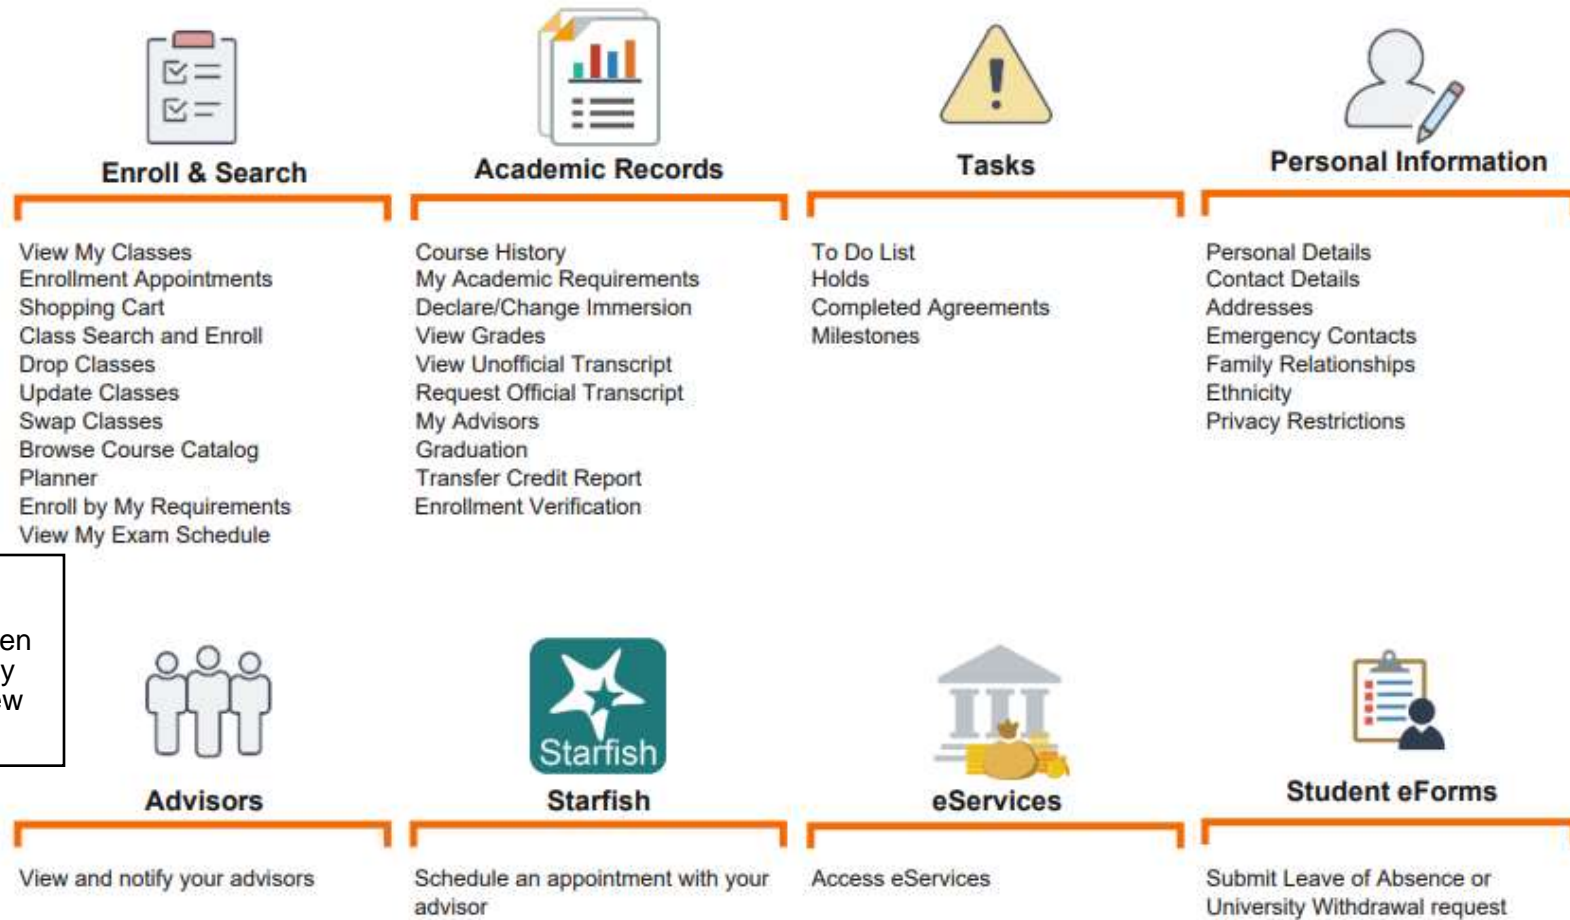

Each tile provides a navigation/path to more information.

The next page will provide an overview of what types of information you can find by clicking on each tile.

Finding your Advisor & Schedule in SIS

The following SIS Navigation Reference identifies where you can find important information in SIS including how to find your academic advisors and course schedule.

Click on the "Enroll and Search" tile, then select "View My Classes" to view your schedule.

Click on the "Advisors" tile and it will take you to a list of all advisors who are assigned to support you. Scroll to the next page to see how to contact your Primary Academic Advisor.
