## News

### NYSAR3 Green School Grants Now Available

The NYS Association for Reduction, Reuse & Recycling (NYSAR3) is offering a grant program for public and private schools Grades K-12 designed to provide seed, or start-up money for recycling/waste reduction programs in public and private schools.

### NERC Announces 2020 Environmental Award Winners

The Northeast Recycling Council (NERC) has announced its 2020 Environmental Sustainability Leadership Awards. Each of the winners was selected for their particularly high level of environmental achievement that supports NERC's mission.

### Webinar Replay: NYS Food Donation & Food Scraps Recycling Law

The [NYS Food Donation & Food Scraps Recycling Law](#) requires businesses that generate over two tons of wasted food and food scraps a week to donate their excess food and recycle any remaining food scraps if they are within 25 miles of a food scraps recycler. Replay the webinar to learn more about the new requirements and related resources through NYSP2I.

## Client Spotlight

### Buffalo Brewing Co.

Buffalo Brewing Company is a local community brewpub in the Buffalo community serving craft brews since July 2016. The company worked with NYSP2I to identify opportunities to improve their overall sustainability practices and decrease their environmental footprint.
