

BARNES&NOBLE@RIT

Dear Student,

The Art & Supply department at RIT's bookstore, Barnes & Noble @ RIT, has assembled an **Art & Design Kit** that contains basic supplies required by your faculty. This kit sells for **\$463.65** (including tax and discount). You will **save 20 percent** by purchasing this kit rather than buying each item individually.

Pre-order your kit by **Friday, Aug. 20, 2021:**

Order **ONLINE** (recommended):

- Go to: <http://rit.bncollege.com> & click on the *Art & Design Kit* button at the bottom of the homepage.

- **The Art & Design Kit will be available to purchase on our website by June 30, 2021.**

🐾 **Note:** *You will need to present **photo I.D.** when you pick up your kit.*

We do not ship the kits. Kits are available for pick-up starting **Monday, Aug. 9, 2021.** The kit pick-up process may take up to 30 minutes. You will want to get your kit as soon as possible to avoid the crowds once the upper classmen return. Kits are bulky, so we recommend bringing a luggage cart or someone to help you. If you have any additional questions, please refer to the enclosed *Frequently Asked Questions* list, or email us at: **gm614@bncollege.com**.

Thank you, & enjoy your first year at RIT.

Sincerely,

B&N @ RIT General Merchandise Team
