CAN I CARRY THE KIT MYSELF?

Maybe. The kit has several heavy parts. Plus, you may also be buying additional items from the store. We suggest you ask someone to assist you. We also find that luggage carts are a great help.

I ALREADY HAVE SOME OF THE SUPPLIES IN THE KIT, SO CAN YOU DELETE THOSE ITEMS FROM THE KIT?

You can purchase items individually. However, to receive the discount, you must purchase the entire kit.

IS THE KIT ALL I WILL NEED FOR MY CLASSES?

This kit is designed to get you started.

SOME INSTRUCTORS MAY REQUIRE ADDITIONAL SUPPLIES FOR SPECIFIC PROJECTS.

Many of the tools should last you a lifetime. However, you will need to replace consumable items such as glue, pencils, paper, etc. as needed.

DO I NEED MY UNIVERSITY ID# (UID) TO ORDER THE KIT?

You only need to provide your UID# if you are paying with *Tiger Bucks* (RIT's debit program). Your UID# is available on the web at www.rit.edu. Click *myRIT* to the far-right of the white header bar at the top of the page. You will need your RIT computer account username & password. If you have problems logging in, contact the Information & Technology Services (ITS) HelpDesk at (585) 475-4357 (voice), or online at www.rit.edu/its/help. Your UID# is also printed on your *RIT Acceptance Form* in the acceptance packet that was mailed to you.

HOW DO I GET A RECEIPT IF I HAVE PREPAID FOR MY KIT?

A receipt for your order will accompany the kit when you pick it up at Barnes & Noble @ RIT. However, you will receive a confirmation number when placing your order online.
