THE INTERNATIONAL BUSINESS HONOR SOCIETY

Beta Gamma Sigma is the international honor society exclusively serving business programs **accredited by AACSB International–The Association to Advance Collegiate Schools of Business**. Membership in BGS is the highest recognition a business student anywhere in the world can receive. Of the schools accredited by AACSB, **over 600 have chosen to establish a Beta Gamma Sigma chapter worldwide**. For over a century, BGS and AACSB have worked side-by-side to advance the next generation of business leaders through academic and professional excellence.

With a shared emphasis on global networking, BGS and AACSB have facilitated connections intended to foster the **AACSB mission of Engagement, Innovation, and Growth**. The opportunities afforded to members of such longstanding and trusted organizations are countless. The BGS name is recognized by leading corporate recruiters as an indicator of business acumen and leadership. A number of BGS programs then provide **opportunities for membership development, lifelong learning, and meaningful service events**. Our members are committed to making a difference in business and beyond.
