For waiver details and +1 agreements for your college.

THE RIT EDGE

Make it your own by creating your personal brand with a Saunders STEM-Designated MBA. Access RIT resources to connect with the many nationally recognized STEAM (Science, Technology, Engineering, Arts and Math) disciplines at RIT. Use graduate electives and customized specialties that leverage an open curriculum architecture allowing you to access graduate courses from many of RIT's colleges.

CHOOSE YOUR SPECIALTY

Choose from a variety of specialties that best fit your career goals. Choose popular business disciplines such as business analytics, finance, entrepreneurship, management information systems, project management, and supply chain management.

TECHNOLOGY CORE

Saunders infuses technology into its MBA core courses, leveraging RIT's tradition in technical excellence with courses in management information systems (MIS) and data analytics. The faculty teaching these courses are regarded highly by *U.S. News* and *College Factual*.
