Quick Guide to Inviting Applicants to Interview through Career Connect

Inviting Applicants

RIT Office of Career Services and Cooperative Education
Log into Career Connect.

**Click OCR > Applicants > Select the position**

Or use the Quick Link, **View OCR Applicants**, found on the bottom of the home page.
Change the status of each student accordingly.

Employer contacts may change the status of multiple students by clicking the box next to the students' names; select **Batch Options > Set Status**.

Additionally, a student's status can be changed individually by selecting from the **drop-down picklist** under the students' name.

Students can remain as **Pending**, chosen to be **Invited**, selected as an **Alternate**, or marked as **Not Invited**.
How are Students Notified?

After the employer contact changes the status of the student(s), a Career Connect auto-generated email is sent notifying students of the change in status.

The auto-generated message will be sent immediately after the student's status changes. To the right is a copy of the automated message for a pre-selected student.

Hello [name],

We are writing to inform you that you have been invited to interview for the following position:

  Position: [job_title]
  Employer: [name]

If interested in this position, log into your Career Connect account to schedule an interview. This position will be open until [schedule close]. Please note that interview time slots are awarded on a first-come, first-serve basis.

A few reminders:

  Professional dress is required for interviews.

  We strongly encourage you to participate in at least one mock interview with your Career Advisor before you begin interviewing for positions.

Please call the Office of Career Services and Cooperative Education at 585-475-2301 if you have any questions.

Good luck on your interview!
