Summer
Math
Applications in
Science with
Hands-on Experience
for girls

A math experience for students entering eighth grade

July 13-17, 2020

ROCHESTER INSTITUTE
OF TECHNOLOGY

BREAK into a week of
summer math fun...
CRUSH any fears of
learning math...

The SMASH Experience
AWAKENS your passion
for numbers!

JOIN US AT RIT FOR FIVE DAYS OF COOL SCIENCE FUN WITH MATH.

Experience hands-on math learning that can lead to future real life opportunities.

Use math to uncover mysteries in the world around you.

Connect what you've learned in school to science activities here.

Engage in recreational activities on campus such as a visit to RITz Sports Zone!

Build confidence while making new friends.
