WELCOME TO RIT BAJA!

RIT Baja is a collegiate off-road race team located at Rochester Institute of Technology. Baja SAE is a non-profit design series sponsored by the Society of Automotive Engineers (SAE). Each year we design, manufacture, and race our off-road car alongside over a hundred regularly competing teams from around the world. Our team is built on the ideals of fostering engineering development in any student interested in furthering their growth. But we wouldn't get anywhere without the amazing support from our sponsors, who provide vital resources that allow us to create not only a great race car but a great team.
