## **Ceremonial Events**

There are several ceremonial events planned during Grad Week as well. Ceremonial events bring communities together in celebration as we reflect on the individual and collective journey of students who hold similar interests and identities. Some of these ceremonial events include Rainbow Graduation, Black Graduation, Latinx Graduation, and Passing the Torch. [Learn more about the 2024 Grad Week Ceremonies and Celebrations.](#)

## **2024 Class Gift Campaign**

It's your year to shine across the big stage, so why not add to your adornments? Though your current chapter at RIT may be coming to a close, you can still make an impact on the RIT community and show off your Tiger pride at Commencement. Those who make their contribution to the Class Gift Campaign will earn an orange and black philanthropy cord.

In addition to receiving a cord, students who donate to the 2024 Class Gift Campaign by Saturday, April 27, will be invited to the **You're Impactful! - Class Gift Donor Reception** on Wednesday, May 8. [Make a Gift.](#)

Please plan to join these special events designed for you and your fellow graduates. For questions related to 2024 RIT Commencement or individual college ceremonies, contact: [Graduation@rit.edu](mailto:Graduation@rit.edu). We look forward to celebrating you, the Class of 2024!
