

Department of Computing Security

CSEC 123 Software Development & Problem Solving I	CSEC 140 Principles of Cybersecurity	Math 181 Project Based Calculus I P-7A	Artistic Perspective P-2	Global Perspective P-3	YOPS 10 RIT 365
---	--	---	--------------------------------	------------------------------	--------------------

CSEC 124 Software Development & Problem Solving II (C- or better in CSEC 123)	NSSA 241 Intro to Routing and Switching (CSEC 140)	Math 182 Project Based Calculus II P-7B (C- or better in MATH 181)	Math 190 Discrete Math (MATH 181) (Co-req MATH 182)	First Year Writing F-2	Wellness Activity
--	---	--	--	------------------------------	----------------------

CSEC 201 Programming for Info Security (CSEC 101, C- or better in CSEC 124)	NSSA 221 Systems Administration I (CSEC 123 or NSSA 220 & NSSA 241)	MATH 251 Probability & Statistics (MATH 182)	*Lab Science Sequence I*	Social Perspective P-4	CSEC 99 Co-op Seminar
---	---	---	-----------------------------	------------------------------	--------------------------

CSEC 202 Reverse Engineering Fundamentals (CSEC 201)	NSSA 245 Network Services (NSSA 221)	MATH 241/ MATH 252 Linear Algebra/ Probability & Statistics II (MATH 190/ MATH 251)	*Lab Science Sequence II*	Ethical Perspective P-1	Wellness Activity
---	---	--	------------------------------	-------------------------------	----------------------

CSEC 499 Summer Co-op (CSEC 99)					
---------------------------------	--	--	--	--	--

CSCI 462 Introduction to Cryptography (CSEC 202, MATH 190)	CSEC ELECTIVE	ISTE 230 Introduction to Database and Data Modeling (CSEC 124)	FREE ELECTIVE	PUBL 363 Cyber Security Policy & Law
---	------------------	--	------------------	--

CSEC 380 Principles of Web Application Security (CSEC 140 & NSSA 245)	CSEC 472 Authentication and Security Models (CSCI 462)	CSEC ELECTIVE	FREE ELECTIVE	IMMERSION I-1
--	--	------------------	------------------	------------------

CSEC 499 Summer Co-op (CSEC 99)				
---------------------------------	--	--	--	--

CSEC ELECTIVE	CSEC ELECTIVE	FREE ELECTIVE	PHIL 102/ 202/306 Ethics Elective E-4	IMMERSION I-2
------------------	------------------	------------------	--	------------------

CSEC ELECTIVE	CSEC ELECTIVE	CSEC 490 Capstone in Computing Security (4TH YEAR)	FREE ELECTIVE	IMMERSION I-3
------------------	------------------	---	------------------	------------------

Key: **Computing** Science Prerequisites () * Lab Science Sequence*
Math Free Elective F- Gen Ed Foundation PHYS 211 & 212
General Education Co-op P- Gen Ed Perspective CHMG 141/145 & 142/146
First Year Requirement Wellness I- Gen Ed Immersion BIOL 101/103 & 102/104
Co-op Seminar E- Gen Ed Elective BIOG 101/103 & 102/104

● Individual calculus sequence placement determined by the math placement exam
