Is this course replacing a previously approved elective? <input type="checkbox"/> Yes <input type="checkbox"/> No	If so, which course?
BS/MS Only: Will this course double-count with an undergrad requirement? <input type="checkbox"/> No <input type="checkbox"/> Engineering Elective <input type="checkbox"/> App Domain <input type="checkbox"/> Free Elective	

Notes on Registration & Restrictions

- **You should enroll for unrestricted courses yourself, using SIS.**
- Restricted courses require permission from the instructor.
 - Reach out to the department teaching the course to request permission and be enrolled.
 - If you have talked to the instructor/department teaching the course and received permission to enroll, you must submit an email from them which states that you have permission, and submit it along with this form.
