

## Visiting the Department of Software Engineering

Thanks for your interest in visiting the Department of Software Engineering (SE) at RIT! We encourage you to visit our department through the various [open house opportunities](#) throughout the year.

However, we understand that you might prefer a one-on-one meeting with someone in our department. If you are interested in scheduling a visit outside of our open house dates, please email [Bridgette Fortner](#) or call the office at 585-475-5461.

- **Current high school students (prospective students)** looking for details on the SE program will meet with the Undergraduate Program Director. Appointments are usually 30-45 minutes long and can include a short walk-through of the department. Please be prepared with a few available dates and times when scheduling.
- **Accepted undergraduate students** should attend RIT's [Accepted Student Open House](#). If you are unable to make this but wish to visit the department at another time, a meeting with someone in the department can be arranged.
- **Prospective transfer students** looking for details on how college credits will transfer in will meet with an academic advisor. Appointments are usually 30-45 minutes long and can take place on-campus or over the phone.
- **Prospective and accepted graduate students** will meet with the Graduate Program Director. Appointments are usually 30-45 minutes long and can include a short walk-through of the department. Please be prepared with a few available dates and times when scheduling.

We look forward to meeting with you!
