IGM Student Gallery—We Need Submissions!

We are always looking for more student work to display in the student gallery. Be seen by potential employers, students and alumni, advertise your projects and skills!

To submit work for potential addition to the IGM gallery, please e-mail the following information below to igm-gallery@rit.edu.

For each project submitted, please provide the following:

1. Title	Title of the piece. Example: "Hexes."
2. Tagline	A short tagline, which will show up on hovering over a project preview. Example: "HEXES! A Card Game of Whacky Wizardry!"
3. Author List	A list of all the author names and e-mail addresses. Ensure that everyone on the team has given permission for IGM to post your gallery submission.

4. Description	Short description for people to read about the project, which is shown once a project is opened on the site. Short Example: "Adventure Guild is a social, mobile RPG for iOS and Android." For longer examples, see the gallery site.
5. Images	Separate 720p images are ideal. (Additional 24in by 36in images for printing are helpful). We resize for previews and the main gallery screen. Please ensure your name\group name is on the print version of the images.
6. Search Tags (Optional)	These are just words to search/sort by. These are highly recommended for sorting/searching/organization. Ex. Arcade Shooter, RPG, Unity
7. Logo (Optional)	At least 160x120px, roughly 4:3 aspect ratio. Example: http://people.igm.rit.edu/portfolios/galleryimages/hexes.png
8. Videos (Optional)	YouTube or Vimeo links only.
9. Other links (Optional)	Links are just pairs of link text and URLs, for example, to a live version of the game, or your personal portfolio or Behance site. There is a maximum of 12 links, plus the Video link(s) above.
