

## PAYMENT PLAN REQUEST 2025/2026

As of 2009/2010, RIT Croatia offers its students a payment plan option in order to assist with timely payment of tuition dues. This payment plan splits the semester tuition dues into five equal installments. The advantage of the payment plan is that you will be able to more easily manage your tuition dues.

If you would like to apply for a payment plan please fill out and sign this request and return to the Finance Office. Signing the request signifies your acceptance of the terms and conditions as outlined below.
