

## *Victory Fund Party In Norfolk A Big Success*

On August 29 last, there was a Victory Fund party held in Norfolk under the leadership of Glenn Coffey. A big crowd attended the party.

Mrs. Florence Carpenter was the treasurer. Mrs. Ruby Turner and Mr. Frank Hosteller took charge of the refreshments. Miss Miriam Goldman was the reporter for the party. Mr. Glenn Coffey was the fun maker for the games.

Games were very thrilling and amusing to the deaf folks and visitors.

There were much laughter and tears as Ralph Kiser and Morris Layton put on an act how to dress like the girls. Ralph won the prize.

Mary Bowman, daughter of Mr. and Mrs. Howard Bowman, won a prize for guessing the number of small popcorn kernels in a fish bowl, the number being within only 10 to 2,210. Mrs. Bowman was very proud of her daughter being the best guesser.

Bascom Blevins and Jonas Carpenter won prizes for having lucky numbers. Bascom was as happy as a schoolboy.

Morris Layton had a very well behaved head, while he walked with a paper plate on his head and raced with others using paper spoons to pick up peanuts from the floor and put them on the plates. He won the prize, too.

There were many guests from out of town and states such as Connecticut, District of Columbia, West Virginia, North Carolina, South Carolina, Florida and Louisiana. It was reported that the people enjoyed the party very much and they also helped the Victory Fund much. Mr. Glenn Coffey, leader of the party, wishes to thank them who have helped make a success for the benefit of the Victory Fund.
