THE POSITION
RIT Dubai is currently seeking applications from exceptional candidates for an adjunct position in Mechanical Engineering for the Spring semester (January-May 2021). RIT Dubai is looking for a highly qualified, motivated and enthusiastic individual. The successful candidate is expected to teach graduate course: MECE 589/689 - Air Conditioning Systems for the Hot-Humid Climates.

REQUIRED QUALIFICATIONS FOR THE POSITION
- Ph.D. degree in Mechanical Engineering from an accredited university.
- Previous experience in teaching Refrigeration and Air conditioning courses.
- Industrial Experience is an advantage.
- Excellent communication skills.

APPLICATION AND NOMINATION
Please email your application to careersdubai@rit.edu. Please submit the following items as part of your application:

- Subject line must include the source, your name and position you are applying for; e.g.:– Dr. John Smith – Adjunct Faculty in Mechanical Engineering
- Resume or curriculum vitae
- Contact information
- A cover letter detailing your technical/professional, teaching, and scholarship qualifications and achievements, and how these address the required and preferred qualifications for the position.
- Names, addresses and phone numbers of three references

Applications review will begin immediately and continue until a candidate is selected. Only shortlisted candidates will be contacted.
