JOB DESCRIPTION

Full-Time Faculty Position in Industrial Engineering

THE POSITION
RIT Dubai is currently seeking applications from exceptional candidates for a full-time position in the Mechanical & Industrial Engineering Department, Industrial Engineering program, with experience in engineering management, logistics, systems engineering and related topics. RIT Dubai is looking for a highly qualified, motivated and enthusiastic individual to be a positive addition to a prospering American university campus in the UAE. Responsibilities include teaching and educational activities (course development, undergraduate and graduate advising, lab development), research and professional services activities. Individuals interested in a visiting position are welcome to apply. The selected faculty is expected to start on August 15, 2022 in Dubai.

REQUIRED QUALIFICATIONS:
- Ph.D. Degree in Industrial Engineering, with focus on systems and engineering management.
- Applicants must have developed and taught high quality undergraduate and graduate courses in the specified areas of knowledge.
- Applicant is expected to demonstrate ability to teach different core undergraduate IE courses.
- Prior experience in industry is a plus, and expertise in advising undergraduate and graduate students is preferred.

PREFERRED QUALIFICATIONS:
- Previous teaching experience in American or European institutions
- Demonstrated industry experience in the field
- Excellent communications skills
- Demonstrated ability (Associate/Full) or significant potential (Assistant) to teach courses at the undergraduate and graduate levels in the specified areas of knowledge.

Deadline: open till position is filled.
APPLICATION AND NOMINATION
Please email your application to careersdubai@rit.edu. Please submit the following items as part of your application:

- Subject line must include the source, your name and position you are applying for; e.g.: AcademicKeys – Dr. John Smith – Industrial Engineering
- Resume or curriculum vitae
- Contact information
- A cover letter detailing your technical/professional, teaching, and scholarship qualifications and achievements, and how these address the required and preferred qualifications for the position.
- Names, addresses and phone numbers of three references

Applications review will begin immediately and continue until a candidate is found. Only shortlisted candidates will be contacted.
