Job Purpose

The department of Electrical Engineering and Computing Sciences at RIT Dubai is seeking applications from exceptional candidates for a full-time faculty position in computing sciences. Responsibilities include teaching and education activities, development of courses and laboratories, advising undergraduate and graduate students, supervising students in their capstones or theses, participation in committee works, and engaging in scholarship, research, and professional service activities. The selected faculty is expected to join RIT-Dubai in August, 2022 at its new campus in Dubai Silicon Oasis, Dubai, UAE.

Required Minimum Qualifications:

• PhD degree from an accredited institution in information technology, computer science, or a closely related field with a concentrated coursework in computer networking, software engineering, and web development.
• Previous teaching experience with the ability to teach courses in the broad area of computing including computer networking, software engineering, and web development.
• Excellent communication skills.

APPLICATION PROCEDURE:

Please email your application to careersdubai@rit.edu and include the following items in your application:

• Subject line must include the source, your name and position you are applying for; (Mr. John Smith – Faculty of Computing Sciences)
• Cover letter detailing your technical/professional, teaching, and scholarship qualifications and achievements
• Resume or curriculum vitae
• Contact information

Applications review will begin immediately and continue until a candidate is selected. Only shortlisted candidates will be contacted. For more information please visit RIT Dubai website at www.dubai.rit.edu.
