

JOB DESCRIPTION**FACULTY OF INDUSTRIAL ENGINEERING**

JOB DETAILS			
Position Title:	Faculty of Industrial Engineering	Grade	
Department/Division:	Mechanical Engineering & Industrial Engineering		
Reports to:	Department Chair		
Supervises:	None		
Last Updated on:	August 31, 2022		

Job Purpose

RIT Dubai is currently seeking applications from exceptional candidates for a full-time/visiting position in the Mechanical & Industrial Engineering Department, Industrial Engineering program, with experience in teaching various courses at different levels in the field. Experience in human factors is appreciated. RIT Dubai is looking for a highly qualified, motivated and enthusiastic individual to be a positive addition to a prospering American university campus in the UAE. Responsibilities include teaching and educational activities (course development, undergraduate and graduate advising, lab development), research and professional services activities.

Individuals interested in a full-time/visiting position are welcome to apply. The selected faculty is expected to start on January, 2023 in Dubai.

REQUIRED QUALIFICATIONS:

- Ph.D. Degree in Industrial Engineering.
- Applicants must have developed and taught high quality undergraduate and graduate courses in the specified areas of knowledge.
- Applicant is expected to demonstrate ability to teach different core undergraduate IE courses.
- Prior experience in industry is a plus, and expertise in advising undergraduate and graduate students is preferred.

PREFERRED QUALIFICATIONS:

- Previous teaching experience in American or European institutions
- Demonstrated industry experience in the field
- Excellent communications skills
- Demonstrated ability (Associate/Full) or significant potential (Assistant) to teach courses at the undergraduate and graduate levels in the specified areas of knowledge.

APPLICATION PROCEDURE:

Please email your application to careersdubai@rit.edu and include the following items in your application:

- Subject line must include the source, your name and position you are applying for;

(Mr. John Smith – Industrial Engineering Faculty 2022)

- Cover letter detailing your technical/professional, teaching, and scholarship qualifications and achievements
- Resume or curriculum vitae
- Contact information

Applications review will begin immediately and continue until a candidate is selected. Only shortlisted candidates will be contacted. For more information please visit RIT Dubai website at www.dubai.rit.edu.
