FACULTY POSITION IN MECHANICAL and INDUSTRIAL ENGINEERING AT RIT DUBAI

Industrial Engineering in the area of Operation Research/ Human Factors.

JOB DESCRIPTION:
RIT Dubai is currently seeking applications from exceptional candidates for a full-time position in the Mechanical and Industrial Engineering Department at the level of Assistant prof/Associate prof/lecturer, in the area of Industrial Engineering with focus on operations research/ human factors. RIT Dubai is looking for a highly qualified, motivated and enthusiastic individual to be a positive addition to a prospering American university campus in the UAE. Responsibilities include teaching and educational activities (course development, undergraduate and graduate advising, lab development), research and professional service activities. Individuals who will be on sabbatical or interested in a visiting position are also welcome to apply. The selected faculty is expected to start on August 15, 2016 in Dubai.

REQUIRED QUALIFICATIONS:
- Ph.D. Degree in Industrial Engineering or Mechanical Engineering
- Ability to teach undergraduate courses including: core courses in industrial engineering/operations research/human factors.
- Ability to teach graduate level courses in Industrial Engineering as well as guide MSc student’s projects.
- Practical industrial experience in the broad field of Mechanical / Industrial Engineering.

PREFERRED QUALIFICATIONS:
- Previous teaching experience in an American or European institution
- Demonstrated industry experience in the field
- Excellent communications skills
- Knowledge in sustainability is a plus.

Additional Details:
RIT Dubai is a branch campus of the Rochester Institute of Technology-NY in Dubai, United Arab Emirates. It was established in June 2008 to offer RIT degrees and curriculum in Dubai. Currently it offers bachelors and Master’s degree programs in engineering, business, computing and innovation and leadership.

The mechanical and industrial engineering department: The department started as the mechanical engineering department. Approvals for adding the industrial engineering program were obtained from NY and MOHESR in 2015 and the name was changed to reflect the new addition. The department is the largest in the university, it hosts a full set of modern laboratories and supports students and faculty research according to the university policies.

THE UNIVERSITY: RIT is a multifaceted university located in Rochester, New York. The university offers more than 200 options in its professional career programs and delivers courses on-campus, online and in numerous international locations. The university enrolls more than 18,000 students who come to RIT from all 50 states and more than 90 countries.
SALARY: Salary commensurate with qualifications and experience.

Deadline: open till position is filled.

APPLICATION PROCEDURE:
Please email your application to careersdubai@rit.edu. Please submit the following items as part of your application:

- Subject line must include the source, your name and position you are applying for; eg: RIT Dubai Website – Dr. XYZ – Mechanical Engineering Faculty 2016
- Resume or curriculum vitae
- Contact information
- A cover letter detailing your technical/professional, teaching, and scholarship qualifications and achievements, and how these address the required and preferred qualifications for the position.
- A teaching philosophy statement
- Names, addresses and phone numbers of three references

Applications review will begin immediately and continue until a candidate is found. Only shortlisted candidates will be contacted.
