

Adjunct Faculty Position in Industrial & Systems Engineering

JOB DETAILS		
Position Title:	Adjunct Faculty Position in Industrial & Systems Engineering	Grade
Department/Division:	Mechanical & Industrial Engineering	
Reports to:	Department Chair	
Supervises:	None	
Last Updated on:	March 25, 2024	

THE POSITION

RIT Dubai is seeking applications from exceptional candidates for an adjunct faculty position to contribute to our MS - Engineering Management program for the upcoming academic year 2024-25. In particular, we're seeking applicants with a PhD in Industrial Engineering or a related field with strong industry experience and prior experience in teaching courses related to Engineering Systems & Project Management.

ABOUT THE MEIE DEPARTMENT:

The MEIE department boasts a dynamic team of 8 faculty members, along with a thriving community of approximately 35 graduate students and 265 undergraduate students. Our department proudly offers two ABET-accredited B.S. programs in Mechanical Engineering and Industrial Engineering, as well as two M.S. degrees in Mechanical Engineering and Engineering Management. We are dedicated to delivering a top-tier student experience that fuses research with education, offering unique learning opportunities that leverage the distinctive strengths of our department and region.

REQUIRED QUALIFICATIONS FOR THE POSITION

- Doctoral Degree: A Ph.D. in Industrial Engineering or a closely related field.
- Teaching Proficiency: The candidate should demonstrate the ability to effectively teach graduate-level course/s in engineering systems and project management.
- Experience in American Higher Education: Familiarity with the American higher education system is highly advantageous.
- Industry Expertise: Demonstrated experience in the industry within the field is highly advantageous.

TO APPLY:

Please email your application to careersdubai@rit.edu. Please submit the following documents as part of your application:

- Subject line must include the source, your name and position you are applying for; e.g.:
Name – Engineering Management
- Resume or curriculum vitae
- Contact information

- A cover letter detailing your technical/professional, teaching, and scholarship qualifications and achievements, and how these address the required and preferred qualifications for the position.
- Names, addresses and phone numbers of three references

Applications review will begin immediately and continue until a candidate is selected. Only shortlisted candidates will be contacted.
