Summary

The Science and Liberal Arts Department is looking for a graduate student to join one of RIT Dubai Master’s programs (Electrical Engineering, Mechanical Engineering, Data Analytics or Computing Security) and to work as a graduate teaching and research assistant starting Fall 2022. The successful candidate is expected to have the ability to conduct independent research tailored towards the Mathematics discipline. Furthermore, the candidate is expected to perform as a dedicated and professional teaching assistant, conducting pre-scheduled recitation sessions. RIT Dubai supports this position and the expected duties, requirements and benefits of the position are as follows:

General Duties and Benefits:

The successful candidate is expected to dedicate 12 hours per week (two hours per section) to working independently as a teaching assistant, and contract may extend to 20 hours per week to include other assigned tasks as they relate to teaching/research depending on candidate’s profile. Benefits include full tuition waiver, student housing, monthly stipend.

Position requirements:

- Bachelor degree in mathematics or a related discipline (like engineering) from an accredited university.
- Fulfil the admission requirements of the Master’s in engineering program.
- A GPA of B or above and an ILETS of 6.5 or the equivalent in TOEFL.
- Excellent communication and presentation skills.
- Previous experience in teaching/ tutoring is an advantage.

Application Procedure

Please email your resume and cover letter to careersdubai@rit.edu, subject line must include your name and position you are applying for; i.e. <Your Name> - Graduate Teaching Assistant – SLA).

The applicant shall submit:
• Attested BSc certificate and transcript,
• TOEFL/ILETS certificate,
• Three recommendation letters dully signed and contains the recommender’s email address or phone number,
• Resume and a cover letter.

Applications review will begin immediately and continue until a candidate is selected. Only shortlisted candidates will be contacted. For more information please visit RIT Dubai website at www.dubai.rit.edu.
