Adjunct Faculty Position in Physics at RIT Dubai

RIT Dubai is currently seeking applications from highly qualified candidates for Physics adjunct positions. The selected candidates will be teaching up to two of the following physics courses per semester.

- Pre-University Physics
- College Physics

Descriptions of College Physics (PHYS 111/112) can be found on page 202 of this document. Pre-University Physics is a course tailored for the Dubai campus.

Required Qualifications:
- Master’s degree in Physics from an accredited university, preferably North American
- Previous teaching experience, ideally in a North American college or university
- Excellent communication skills in English

Duration:
- August 26th 2019 – Dec 23rd 2019

THE UNIVERSITY: RIT Dubai is an international campus of Rochester Institute of Technology, Rochester, New York. It was established in June 2008 to offer RIT degrees and curriculum in Dubai. Currently, it offers Bachelor’s and Master’s degree programs in engineering, business, networking and innovation and leadership. RIT is a multifaceted university located in Rochester, New York. The university offers more than 200 options in its professional career programs and delivers courses on-campus, online and in numerous international locations. The university enrolls more than 18,000 students who come to RIT from all 50 states and more than 90 countries.

APPLICATION PROCESS: Email your application to careersdubai@rit.edu to the attention of Dr. Jameel Maki, Coordinator of Maths and Sciences, Department of Sciences and Liberal Arts. The email subject line must include your name and the position you are applying for. Submit the following items as part of your application:
- resume or CV;
- cover letter detailing your technical/professional, teaching, and scholarship qualifications and achievements, how these address the required and preferred qualifications for the position, and which course/s of the list you intend to teach; and names, addresses and phone numbers of three references
