

ADJUNCT FACULTY POSITION FOR MASTERS IN INTEGRATIVE DESIGN

JOB DETAILS			
Position Title:	Adjunct Faculty of Integrative Design	Grade	
Department/Division:	Interdisciplinary Art and Design		
Reports to:	Chair of Department		
Supervises:	None		
Last Updated on:	September 2026		

Job Purpose

Rochester Institute of Technology Dubai invites applicants to apply for an Adjunct Faculty position to teach in the **Master of Science in Integrative Design** program. We are seeking candidates with expertise in design research methods, interdisciplinary design practices, innovation and entrepreneurship. Ideal candidates will be able to integrate design research principles and methods across disciplines and guide graduate students in developing research-informed, interdisciplinary projects. Candidates should bring diverse perspectives and experiences that contribute to a broader understanding of design and how contemporary social, technological, environmental, and professional contexts shape design research and practice. Experience in interdisciplinary, research-led, innovation, or industry-engaged projects is expected.

Required Qualifications

- **MFA, PhD, or equivalent terminal degree in a Design discipline.**
- Demonstrated knowledge and experience in design research methods and practices.
- Demonstrated experience in interdisciplinary design projects and innovation.
- Ability to guide graduate students from different backgrounds in developing research-informed design and innovation projects.
- University-level teaching experience, preferably at graduate level.
- Relevant professional or research experience.
- Knowledge of contemporary and emerging design practices and technologies, including AI in design research and practice, and an ability to contribute meaningfully to RIT Dubai's commitment to cultural diversity, pluralism, and individual differences.

Application Procedure

Please email your application to careersdubai@rit.edu and include the following:

- Subject line must include your name and the position you are applying for. (Name – Integrative Design)
- A short one-minute video made with your phone, introducing yourself and summarising your experience in English.
- Cover letter detailing your professional, research, teaching, and scholarly qualifications and achievements.
- Resume or curriculum vitae.
- Course syllabi with at least three assignments, if available.

-
- A link or portfolio with examples of research, interdisciplinary, professional, and/or creative work.
 - A link to examples of student work, if available.
 - Names, addresses, and phone numbers of three references.
 - Contact information.

Application review will begin immediately and continue until a candidate is selected. Only shortlisted candidates will be contacted. For more information, please visit the RIT Dubai website at www.dubai.rit.edu.
