

ADJUNCT FACULTY IN INDUSTRIAL ENGINEERING

JOB DETAILS			
Position Title:	Adjunct Faculty in Industrial Engineering	Grade	
Department/Division:	Industrial Engineering		
Reports to:	Chair of Department		
Supervises:	None		
Last Updated on:	October 9, 2026		

The Department of Industrial Engineering at RIT Dubai invites applications for an adjunct faculty position to teach Engineering Management in the undergraduate Industrial Engineering program. We seek an instructor who combines sound academic preparation with practical project management experience and a genuine commitment to student success.

Job Responsibilities:

- Teach in accordance with the approved syllabus and course learning outcomes.
- Prepare and deliver lectures, in-class exercises, and case discussions that connect project management theory to industrial practice.
- Hold regular office hours and respond to student inquiries in a timely manner.

Required Qualifications:

- Education: Ph.D. in Industrial Engineering or a closely related field, with bachelor's and master's degrees in industrial engineering preferred. Candidates holding a master's degree in the same field with substantial professional project management experience may be considered.
- Experience: University-level teaching experience in industrial engineering, engineering management, or project management. Industry experience in planning, scheduling, or managing engineering projects is highly valued.
- Technical Skills: Proficiency in project management software such as Microsoft Project or Primavera P6 and spreadsheet modeling.
- Soft Skills: Excellent English communication and presentation skills, the ability to manage and assess team-based projects, and a professional commitment to ethical practice.
- Preferred: Project Management Professional (PMP) or equivalent certification.

CLOSING DATE FOR APPLICATIONS: NOVEMBER 15, 2026

APPLICATION PROCESS:

Email your application to careersdubai@rit.edu with the following items as part of your application:

- Subject line must include your name and the position you are applying for. (Name – Adjunct Faculty in Industrial Engineering)
- Resume or CV;
- Cover letter detailing your professional, teaching and project management experience, and scholarship qualifications and achievements, how these address the required and preferred qualifications for the position, and which course/s of the list you intend to teach;
- Evidence of teaching effectiveness, such as recent student course evaluations (if available)
- A letter of your teaching philosophy;

-
- Names, email addresses and phone numbers of three references

Application review will begin immediately and continue until a candidate is selected. Only shortlisted candidates will be contacted. For more information, please visit the RIT Dubai website at www.dubai.rit.edu.
