

ADJUNCT FACULTY POSITION IN INFORMATION AND COMPUTING TECHNOLOGIES (DATABASE)

JOB DETAILS			
Position Title:	Adjunct Faculty Position in Computing and Information Technologies	Grade	Adjunct
Department/Division:	Electrical Engineering & Computing Sciences		
Reports to:	Department Chair		
Supervises:	None		
Last Updated on:	Oct. 14, 2025		

Job Purpose

The department of Electrical Engineering and Computing Sciences at RIT Dubai is seeking applications from exceptional candidates for an adjunct faculty position in Computing and Information Technologies (CIT). Responsibilities include teaching and education activities in the area of database and data modeling, including fundamental principles of data organization, modeling, and management, covering topics such as the data modeling process, relational model, normalization theory, relational algebra, and Structured Query Language (SQL). The selected candidate is expected to start on January 12, 2026 in Dubai.

Application Deadline: November 14, 2025.

Required Qualifications:

- PhD degree from an accredited institution in Information Technology or a closely related field with a concentrated coursework in database.
- A previous teaching experience in the required domain.
- Excellent communication skills.

Application Procedure:

Please email your application to careersdubai@rit.edu and include the followings in your application:

- Subject line must include your name and the position you are applying for
- Cover letter detailing your technical/professional, teaching, and scholarship qualifications and achievements
- Resume or curriculum vitae
- Names, addresses and phone numbers of three references
- Contact information

Applications review will begin immediately and continue until a candidate is selected. Only shortlisted candidates will be contacted. For more information, please visit RIT Dubai website at www.dubai.rit.edu.
