

**FULL-TIME FACULTY POSITION(S) IN INFORMATION AND COMPUTING
TECHNOLOGIES (PROGRAMMING DEVELOPMENT)**

JOB DETAILS			
Position Title:	Full-time Teaching Faculty Position in Computing and Information Technologies	Grade	Lecturer
Department/Division:	Electrical Engineering & Computing Sciences		
Reports to:	Department Chair		
Supervises:	None		
Last Updated on:	Jan. 20, 2026		

Job Purpose

The department of Electrical Engineering and Computing Sciences at RIT Dubai is seeking applications from exceptional candidates for a lecturer position in Computing and Information Technologies (CIT). Responsibilities include teaching and education activities in the broad area of programming development, including Python, Java, C, C++, Assembly language. Other responsibilities include development of courses and laboratories, advising undergraduate students, supervising students in their capstones, participating in institution services and committee works, and engaging in professional service activities. This position is focused on teaching responsibilities and does not require engagement in research or scholarly work.

The selected candidate is expected to start in August 2026 in Dubai.

Application Deadline: February 28, 2026

REQUIRED QUALIFICATIONS:

- Master's degree from an accredited institution in Information Technology or a closely related field with a concentrated coursework in programming development.
- A previous teaching experience in the required domain.
- Excellent communication skills.

APPLICATION PROCEDURE:

Please email your application to careersdubai@rit.edu and include the followings in your application:

- Subject line must include your name and the position you are applying for
- Cover letter detailing your technical/professional, teaching, and scholarship qualifications and achievements
- Resume or curriculum vitae
- Names, addresses and phone numbers of three references
- Contact information

Applications review will begin immediately and continue until a candidate is selected. Only shortlisted candidates will be contacted. For more information, please visit RIT Dubai website at www.dubai.rit.edu.
