JOB DETAILS			
Position Title:	Full-time Teaching Faculty Position in Computing and Information Technologies	Grade	Assistant
Department/Division:	Computing Sciences		
Reports to:	Department Chair		
Supervises:	None		
Last Updated on:	November 10, 2026		

Job Purpose

The department of Computing Sciences at RIT Dubai is seeking applications from exceptional candidates for a full-time teaching faculty position at the assistant rank in Computing and Information Technologies (CIT). Responsibilities include teaching and education activities in the broad area of programming (including Python, Java, C, C++, Assembly language. Other responsibilities include development of courses and laboratories, advising undergraduate students, supervising students in their capstones, participating in institution services and committee works, and engaging in professional service activities. This position is primarily focused on teaching responsibilities. While engagement in research or scholarly activities is encouraged, it will not be considered in the evaluation of faculty performance.

The selected candidates are expected to start in Spring 2026 in Dubai.

REQUIRED QUALIFICATIONS:

- PhD degree from an accredited institution in Information Technology or a closely related field with a concentrated coursework in programming development.
- A strong record of previous teaching experience in the required domain.
- Excellent communication skills.

APPLICATION PROCEDURE:

Please email your application to careersdubai@rit.edu and include the followings in your application:

- Subject line must include your name and the position you are applying for
- Cover letter detailing your technical/professional, teaching, and scholarship qualifications and achievements
- Resume or curriculum vitae
- Names, addresses and phone numbers of three references
- Contact information

Applications review will begin immediately and continue until a candidate is selected. Only shortlisted candidates will be contacted. For more information, please visit RIT Dubai website at www.dubai.rit.edu.
