Job Purpose

RIT Dubai is currently seeking applications from exceptional candidates for a full-time lecturer position in Statistics and Mathematics in the Math and Sciences Department for the upcoming academic year 2026-27, Starting August 2026, with experience in teaching various Statistics and Math courses at university 100- level. RIT Dubai is looking for a highly qualified, motivated and enthusiastic individual to be a positive addition to a prospering American university campus in the UAE.

Job Responsibilities: (All of the below to be performed in coordination with and reporting to the department chair)

- Teach undergraduate courses in mathematics and/or statistics at 100 level.
- Prepare and deliver lectures, discussions, and problem-solving sessions through an approved course syllabus and textbook
- Design assignments, quizzes, exams, and other assessments and maintain accurate records of grades and attendance
- Hold regular office hours (in person or virtual) to support student learning
- Submit grades by institutional deadlines
- Attend required meetings or trainings
- Actively engage in department and community activities
- Follow university policies related to instruction, academic integrity, and accessibility
- Use technology and statistical software when appropriate including those of AI- based tools

REQUIRED QUALIFICATIONS:

- Master's degree in the discipline of Mathematics from an accredited institution.
- Previous experience in teaching multiple courses in Statistics and Mathematics at the university level.
- Excellent communication skills.

APPLICATION PROCESS:

Email your application to careersdubai@rit.edu. The email subject line must include your name and the position you are applying for. Submit the following items as part of your application:

- Resume or CV.
- Cover letter detailing your professional, teaching, and scholarship qualifications and achievements, how these address the required and preferred qualifications for the position, and which course/s of the list you intend to teach.
- A letter of your teaching philosophy.
- Names, email addresses and phone numbers of three references.

Review of applications will begin immediately and continue until a suitable candidate is selected. For more information, please visit RIT Dubai website at <http://www.rit.edu/dubai/>
