

## LECTURER AND LAB INSTRUCTOR OF PHYSICS

JOB DETAILS			
Position Title:	Lecturer and Lab Instructor of Physics	Grade	
Department/Division:	Mathematics and Sciences		
Reports to:	Department Chair		
Supervises:	None		
Last Updated on:	February 2, 2026		

### Job Purpose

RIT Dubai is currently seeking applications from exceptional candidates for a full-time Lecturer position in Physics including laboratory instruction, starting in the Fall Semester of 2026 (August 2026). RIT Dubai is looking for a highly qualified, motivated, and enthusiastic individual. The successful candidate will be expected to teach undergraduate 100-level Physics and to serve as the Physics laboratory instructor. The teaching duties may be extended to teach 100 level undergraduate Math courses if required.

### Job Responsibilities: (All of the below to be performed in coordination with the Physics course leader and reporting to the department chair)

- Conduct lecture and laboratory sessions.
- Prepare lecture and pre-laboratory presentations.
- Design, administer and grade assignments and lab reports.
- Prepare and perform experiments.
- Track completion of work assignments and all experiments performed.
- Keep a record of all experiments performed, grades and attendance.
- Report orders for supplies and equipment, while tracking inventory.
- Ensure compliance with the university's safety regulations and respond immediately to any violations, potentially hazardous situations or dangerous behaviour.
- Coordinate with the Physics Lead regarding matters related to course and laboratory preparations.

### REQUIRED QUALIFICATIONS:

- Master's degree in physics from an accredited university.
- Previous teaching experience at the college level in the Middle East.
- Knowledge of or experience with various laboratory equipment and materials.
- Ability to set up and prepare experiments.
- Ability to teach a wide range of courses in Physics (and Math) at the undergraduate foundational level including those of laboratory sessions
- Excellent communication skills.
- Ability to work with a culturally diverse student population.
- Proficiency in instructional technology and learning management systems.

### APPLICATION PROCESS:

Email your application to [careersdubai@rit.edu](mailto:careersdubai@rit.edu). The email subject line must include your name and the position you are applying for. Submit the following items as part of your application:

- Resume or CV.

- Cover letter detailing your professional, teaching, and scholarship qualifications and achievements, how these address the required and preferred qualifications for the position, and which course/s of the list you intend to teach.
- A letter of your teaching philosophy.
- Names, email addresses and phone numbers of three references.

Review of applications will begin immediately and continue until a suitable candidate is selected. For more information, please visit RIT Dubai website at <http://www.rit.edu/dubai/>
