

Discovering YOUR MAJOR

INDUSTRIAL ENGINEERING
Spring 2025-26

Academic Advisor – Karishmma
Jethwani

Check your RIT Email frequently!

AND

Connect it to your mobile phones

Why?

1. Used for all communication
2. Important announcements
3. Easier to identify and assist you
(add your UID as an email signature).

The screenshot shows the RIT Dubai website's navigation bar with the following menu items: About, Academics and Learning (highlighted with an orange bar), Admissions and Aid, Student Life, Co-op, and Alumni. A search icon is also present. Below the menu, there are two columns of links. The left column includes Undergraduate Degrees, Graduate Degrees, Immersions and Minors, General Education, and Advising Resources. The right column includes Program Requirements, Executive Education (with a dropdown arrow), Academic Centers, Schedules, and Forms. To the right of these links are two promotional images: 'RIT is Global' (Transfer and Study Abroad) and 'Academic Calendar'. A large, blurred image of a lab or classroom setting is visible in the background.

Academics and Learning

- Undergraduate Degrees
- Graduate Degrees
- Immersions and Minors
- General Education
- Advising Resources
- Program Requirements
- Executive Education
- Academic Centers
- Schedules
- Forms

RIT is Global
Transfer and Study Abroad

Academic Calendar

1. Program Curriculum:
 1. <https://www.rit.edu/dubai/> -> Academics and Learning -> Undergraduate Degrees
 2. Bachelor of Science in Industrial Engineering
1. Academic Advising Resources
 1. <https://www.rit.edu/dubai/> -> Academics and Learning
 1. Advising Resources
 2. Schedules
 3. Forms
 4. Program Requirements
 5. Immersions and Minors
 6. Transfer and Study Abroad
 7. Academic Calendar

Effective Fall 2024

BS Industrial Engineering Curriculum

How to Read Your Flowchart

Prerequisite = A requirement that must be met/completed first **before** you can take a course

- **Types of Prerequisites**

- Course (eg. The **prerequisite** for Beginning French II is Beginning French I (you just need to pass with a D))
- **Year-Level** (eg. The **prerequisite** for Organizational Behavior is *2nd Year Standing*)
- **A Grade in a course** (eg. The **prerequisite** for Calculus II is a C- in Calculus I) → see [Advising Resources > Grading](#)

Corequisite = A course that must either be taken **at the same time or** completed before another course

- **Eg.:** The **corequisite** for Physics I is Calculus II

- Corequisites only work in one direction, so you could take Calculus II by itself

Terminology of Course Types

“Core Courses” = courses required by your major

“Electives” = requirements that can be fulfilled by a
selection of courses that you can choose from

- There are different types of electives. Depending on the type, you will have a different set of course options (e.g. Major elective, Perspective, Immersion, General Education Elective, Free elective, etc.)
- It is still a requirement you need to fulfill – you must choose *something*

Program Requirements

ISEE 200 – Computing for Engineers

Requirement	INDUSTRIAL
Perspective 5: Natural Science	PHYS 211-University Physics I
Perspective 6: Scientific Principles	PHYS 212-University Physics II
Perspective 7a + 7b: Math (2 courses)	MATH 181-Calculus I + MATH 182- Calculus II
Other Gen Ed Courses	CHMG 141- General Chemistry MATH 221 – Multivariable & Vector Calculus MATH 233- Linear Systems & Differential Equations MATH 251 – Probability & Statistics ISEE 325 – Engineering Statistics & Design of Experiments ISEE 200 – Computing for Engineers

Program Requirements

- **Required**
- **Can choose**

Writing Seminar (1 course)

- Required course for ALL RIT Dubai students
- Recommended to take this within first year

Gen Ed Elective (1 course)

- Can be any liberal arts, math, or science course as well as a few others.
- Islamic culture course may need to go here if it doesn't fulfil any perspective or your immersion

Program Requirements

- **Required**
- **Can choose**

Foundation (2 courses)
Writing Seminar
Gen Ed Elective
Perspectives (4 courses)
Perspective I: Artistic
Perspective II: Ethical
Perspective III: Global
Perspective IV: Social
Immersion (3 courses)
Immersion Course 1
Immersion Course 2
Immersion Course 3

Perspectives (4 courses)

- These course categories are designed to introduce students to a variety of important areas of inquiry that provide ways of knowing about the world.
 - Global
 - Social
 - Artistic
 - Ethical
- 1 course in each category is required to graduate
- Different courses are offered in each perspective each semester
- Some courses fulfil more than one perspective, but you can only use it once

PERSPECTIVES

These can generally be taken in any order, in any semester

<https://www.rit.edu/generaleducation/perspectives>

Perspectives

ETHICAL PERSPECTIVE

- Focus on ethical aspects of decision-making and argument, whether at the individual, group, national, or international level.

SOCIAL PERSPECTIVE

- Focus on the analysis of human behavior within the context of social systems and institutions.

ARTISTIC PERSPECTIVE

- Focus on the analysis of forms of artistic expression in the context of the societies and cultures that produced and sustained them.

GLOBAL PERSPECTIVE

- Help students to see life from a perspective wider than their own & to understand the diversity of human cultures within an interconnected global society.

Perspectives

PERSPECTIVES

Examples:

ETHICAL PERSPECTIVE

- MGMT 340 (Business Ethics)
- ENGL 360 (Written Argument)
- PHIL 306 (Professional Ethics)

SOCIAL PERSPECTIVE

- ECON 101 (Microecon)
- PHIL 306 (Professional Ethics)
- PSYC 101 (Intro Psychology)

ARTISTIC PERSPECTIVE

- ENGL 211 (Intro to Creative Writing)
- ENGL 301 (Art of Poetry)
- ENGL 302 (The Short Story)
- ENGL 304 (Drama & Theater)

GLOBAL PERSPECTIVE

- ANTH 275 (Global Islam)
- ECON 101 (Microecon)
- HIST 255 (Hist of WWII)
- MLFR 201 (French I)
- MLAR 201 (Arabic I)

Program Requirements

General Education (GE)

Math & Science

Liberal Arts

Foundations

Perspectives

Immersion

Foundation (2 courses)
Writing Seminar
Gen Ed Elective
Perspectives (4 courses)
Perspective I: Artistic
Perspective II: Ethical
Perspective III: Global
Perspective IV: Social
Immersion (3 courses)
Immersion Course 1
Immersion Course 2
Immersion Course 3

- **Required**
- **Can choose**

- **Immersion (3 courses)** = a series of three related general education courses supporting deeper learning within a focus area
- The current approved list of immersions for RIT Dubai is: (18)
 - Advertising & Public Relations
 - Communication
 - Creative Writing
 - Cultural Anthropology
 - Digital Literature & Comparative Media
 - Economics
 - Ethics
 - History
 - Language Science
 - Literature & Media
 - Modern Lang: Arabic
 - Modern Lang: French
 - Modern Lang: Spanish
 - Philosophy
 - Psychology
 - Religious Studies
 - Sociology
- Click [here](#) to see the list of courses that can fulfill each immersion

Immersions

■ Immersions Special Notes:

- **Psychology Immersion:** Intro Psych does *not* count in the immersion, but is a prerequisite for the immersion and is a Social Perspective
- **Economics Immersion:** Microeconomics does *not* count in the immersion, but is a prerequisite for the immersion and is a Social or Global Perspective

- Some Liberal Arts courses fulfill more than one category, but **they cannot double count!** You must eventually choose which requirement it will fulfill.
- You **can** take a minor and an immersion in the same subject (e.g. Psychology). A minor will then only require 2 additional courses.
- *Can also overlap with perspectives*

- A minor at RIT is a related set of academic courses consisting of no fewer than 5 courses (15 credit hours)
- At least nine credit hours of the minor must consist of courses not required by the student's home major.
- Minors are optional
- Students may pursue multiple minors.

➤ You **can** take a minor and an immersion in the same subject (e.g. Psychology). A minor will then only require 2 additional courses.

➤ *Can also overlap with perspectives*

Approved minors available at RIT Dubai

Business and Management Department

Additional Requirements - Can be a perspective, immersion, Gen Ed, or Free elective

1 Islamic Culture course (required for RIT Dubai only)

- *Choose from:*

- **ANTH 275 Global Islam:** (Global Perspective/ Immersion: Arabic, Religious Studies, Cultural Anth)
- **ANTH 365 Culture and Politics in ME:** (Immersion: Arabic, Religious Studies, Cultural Anth)
- **HIST 402 Islamic History:** (Immersion: History)
- **ARTH 549 Topics in Global Art and Architecture:** Islamic Art & Architecture (Immersion: Cultural Anth, History)

1 extra Writing Intensive (“WI”) course (Optional)

- *Choices include, but are not limited to:*

- **COMM 253 Communication**
- **ENGL 210 Literary and Cultural Studies**
- **ENGL 211 Intro to Creative writing**
- **ENGL 215 Text and Code**
- **ENGL 302 The Short Story**
- **ENGL 305 Auto/biographical Literature**
- **ENGL 309 Topics in Literary Forms**
- **ENGL 360 Written Argument**

Program Requirements

Major Courses

Core Courses

Major Electives

General
Education (GE)

Liberal Arts

Math & Science

Free Electives

(Almost) anything!

3 Open Electives

3 Open Electives

Make the most of them!

Can be:

- An extra course from your major
- An additional general education class
- A course from a different program
- A course towards a minor

as long as you meet the prerequisite for the
course!

You cannot take an **easier** course
e.g. Pre-calc if you've already taken Calc I
Or a course that is **too similar**
e.g. Applied Statistics if you're taking Prob & Stats

- “Co-op” = **Cooperative Education**
 - Opportunity to gain meaningful work experience *before* graduation
 - Full-time, paid employment directly related to your field of study
 - Usually completed in your 3rd and 4th year
 - You should not “graduate on a coop”

BS Industrial Engineering Class/Co-op Schedule

Year (credits)	Fall Semester	Spring Semester	Summer
1 (33)	Class (16)	Class (17)	Vacation
2 (34)	Class (17)	Class (17)	Vacation
3 (17)	Co-op	Class (17)	Co-op
4 (15)	Class (15)	Co-op	Co-op
5 (30)	Class (15)	Class (15)	
Total Credits: 129			

This planning document is a tool to help you visualize your course sequence. Please refer to your AAR for a complete overview of your degree requirements. Course names and numbers are subject to change.

- **4 Blocks of co-op are required for Engineers:**

2 semesters + 2 summers = 50 weeks

- A minimum **total of 48 weeks** is allowed
- An individual co-op must be a **minimum of 10 weeks**
- You can do “double blocks” (spring and summer OR summer and fall), but **2-3 different coops** are recommended

Industrial Eng. Coop

Required:

- ISEE 120 Fundamentals of Industrial Eng
- EGEN 99 Coop Prep

Recommended:

- Second-year IE courses

*Must be in Good Standing (2.0 cGPA)

Don't worry. You will make an individualized, personal Graduation Plan with your advisor that will include all of these requirements so you can keep track.

This will be emailed to you, so keep it and refer to it often!

Example Graduation plan

An Example plan to give you a better understanding of how the plan looks.

1	A	B	C	Double			Done (SCH)	Pend + (SCH)	Sum = (SCH)
