

## RIT'S GENERAL EDUCATION SCORECARD

| General Education Framework | General Education Student Learning Outcome   | 2016-18     | 2018-20     | 2020-22     | 2022-24     | 2024-26     | 2026-28     |
|-----------------------------|--|-------------|-------------|-------------|-------------|-------------|-------------|
| <b>Essential Elements</b>   |  |             |             |             |             |             |             |
| Communication               | Express oneself effectively in common college-level written forms  |             | Spring 2019 | Fall 2021   |             | Fall 2025   |             |
|                             | Revise and improve written products  | Spring 2017 |             | Fall 2021   |             | Spring 2026 |             |
|                             | Express oneself effectively in presentations, either in spoken standard American English or sign language                            | Fall 2017   |             | Fall 2021   |             | Fall 2025   |             |
|                             | Demonstrate comprehension of information and ideas accessed through reading  | Spring 2018 |             | Spring 2022 |             | Spring 2026 |             |
| Critical Thinking           | Use relevant evidence gathered through accepted scholarly methods and properly acknowledge sources of information                    | Spring 2018 |             |             | Fall 2023   |             | Fall 2027   |
|                             | Analyze or construct arguments considering their premises, assumptions, contexts, and conclusions, and anticipating counterarguments | Fall 2016   | Fall 2019   |             | Fall 2023   |             | Fall 2027   |
|                             | Reach sound conclusions based on logical analysis of evidence  |             | Fall 2018   |             | Spring 2024 |             | Spring 2028 |
|                             | Demonstrate creative or innovative approaches to assignments or projects   |             | Spring 2019 |             | Spring 2024 |             | Spring 2028 |
| <b>Perspectives</b>         |  |             |             |             |             |             |             |
| Ethical                     | Identify contemporary ethical questions and relevant positions   | Fall 2016   | Fall 2019   |             | Spring 2023 |             | Spring 2027 |
| Artistic                    | Interpret and evaluate artistic expression considering the cultural context in which it was created                                  | Fall 2016   | Fall 2019   |             | Spring 2023 |             | Spring 2027 |
| Global                      | Examine connections among the world's populations  |             |             | Spring 2021 | Fall 2022   |             | Fall 2026   |
| Social                      | Analyze similarities and differences in human social experiences and evaluate the consequences                                       |             | Fall 2018   |             | Fall 2022   |             | Fall 2026   |
| Natural Science Inquiry     | Demonstrate knowledge of basic principles and concepts of one of the natural sciences  | Spring 2017 |             | Spring 2021 |             | Fall 2024   |             |
| Scientific Principles       | Apply methods of scientific inquiry and problem solving to contemporary issues   | Spring 2017 |             | Spring 2021 |             | Fall 2024   |             |
| Mathematical                | Comprehend and evaluate mathematical or statistical information  | Fall 2017   |             | Fall 2020   |             | Spring 2025 |             |
| Mathematical                | Perform college-level mathematical operations or apply statistical techniques  | Fall 2017   |             | Fall 2020   |             | Spring 2025 |             |
