

Hazardous Waste Satellite Accumulation Area

- ✱ Label container with the words “**Hazardous Waste.**”
- ✱ Fill out “**Content Sheet**” for each chemical added to the container. Do not use chemical formulas, symbols or structural formulas to identify a chemical.
- ✱ Keep container **closed** unless adding or removing waste.
- ✱ Separate **incompatible wastes** via catch basin.
- ✱ When container is **full**, contact the Department Chemical Technician for removal.

In case of emergency contact: 475 - 3333
